

**HOG SLAT
CATTLE SLAT
CHAIRS**

Exclusive design quickly and accurately positions both top and bottom rebars in a hog/cattle slat form. ONE STEP! They insure easy flow of concrete around them, thereby producing better castings, saving time and money. Spacers are made of high-quality, non-corrosive, non-staining, lightweight plastic.

RIGHT SIDE UP CASTING

UPSIDE DOWN CASTING

PART NUMBER	DESCRIPTION	QTY PER BOX	BAR SIZE	COVER
6747490 (RIGHT-SIDE UP)	CATTLE / HOG SLAT	1,300	D = #3 E = #4	3/4" A = 3" B = 4" C = 5"
